Parental consent Form for Rocky Mountain Sunscreen Application

Date: \_\_\_\_\_

Name of Child: \_\_\_\_\_

As the parent or guardian of the above child, I recognize that too much sunlight may increase my child's risk for skin cancer later in life.

Therefore, I give my permission for the staff of Cradle to Crayons to apply Rocky Mountain Sunscreen to my child as specified below, when he or she will be playing outside.

I further understand that sunscreen may be applied to exposed skin, including, but not limited to the face, ears, nose, shoulders, arms, and legs.

I have checked all applicable information regarding the type and use of sunscreen for my child.

I have consulted with my child's physician, and do not know of any allergies or allergic reactions my child may have to Rocky Mountain Sunscreen.

Staff may apply Rocky Mountain Sunscreen to my child as described above.

I have brought sunscreen for my child, to be applied as described above by the staff. I have labeled the bottle with my child's first and last name.

NO. For medical reasons, do not apply sunscreen to my child for any reason.
